

ROYAL FLYING DOCTOR SERVICE

OF AUSTRALIA

*South Eastern Section*

# Help us to always be there!

Since 1928, the Flying Doctor has been bringing emergency medical care to anyone who lives, works or travels in rural and remote Australia. Each year our medical teams treat over 240,000 patients and our fleet flies nearly 22,000,000 km carrying out over 35,000 emergency evacuations.
